

Data Sheet

FUJITSU Tablet LIFEBOOK T726

delivering what professionals in enterprises, finance and government expect. Its 31.8 cm (12.5-inch) anti-glare IPS display supports variable input with pen or touch. Latest 4G/LTE ensures you can be connected wherever you need to be. The LIFEBOOK T726 shares the port replicator and modular bay options with the LIFEBOOK E7 series, supporting shared desk environments. Superior security features like TPM, fingerprint sensor or SmartCard reader ensure data safety.

Enable shared desks while extending the choice of form factors for your employees

■ Full-size VGA and HDMI, modular bay for an optional second battery providing 100 Whr battery

Wireless connectivity anytime anywhere, even if there is no hotspot nearby

■ Optional embedded 4G/LTE or 3G/UMTS (incl. GPS), WLAN and Bluetooth

Protect your most valuable capital - your data

■ Fingerprint sensor, optional SmartCard reader, Trusted Platform Module (TPM) and OPAL disk

Efficient and ergonomic working in every situation, even for the most demanding of users

■ WideView anti-glare IPS display for indoor/outdoor use, hard disk drive shock sensor, port replicator

Components

	Windows 10 Pro Windows 10 Home Windows 7 Professional 64-bit
	This system receives full support from Microsoft with Windows 10/Windows 10 Pro only. For any other Microsoft OS installed, this device has limited support from Microsoft. For more information, please see Microsoft's Support Lifecycle FAQ.
	Intel® Core™ i7-6600U processor (2.6 GHz, up to 3.4 GHz, 4 MB) Intel® Core™ i5-6300U processor (2.4 GHz, up to 3.0 GHz, 3 MB) Intel® Core™ i5-6200U processor (2.3 GHz, up to 2.8 GHz, 3 MB) * Intel® Core™ i3-6100U processor (2.3 GHz, 3 MB) * Intel® Celeron® processor 3955U (2.0 GHz, 2 MB) * *Processor only for retail, SMB, education and government

Battery runtime information is based on worldwide acknowledged BAPCo® MobileMark® 2014 (office productivity). Refer to www.bapco.com for additional details.
The BAPCo® MobileMark® Benchmark provides results that enable direct product comparisons between manufacturers. It does not guarantee any specific battery runtime which actually can be lower and may vary depending on product model, configuration, application and power management settings. The battery capacity decreases slightly with every re-charge and over its lifetime.

Recommended Accessories

Flexibility, expandability, desktop replacement, investment protection – to name just a few benefits of Fujitsu’s docking options. Order Code: S26391-F1337-L109

Recharge your notebook or tablet at work, at home or on the road with a second power source easily. Depending on your device you can choose from various AC Adapters ranging from a 2-pin or 3-pin, a slim and light or standard adapter, or even the innovative 0-Watt AC Adapter. Order Code: S26391-F1246-L509

The Fujitsu Prestige Pro Backpack 14 protects your belongings with a touch of luxury. It features a roomy main compartment with a padded notebook slot 35.6 cm (14-inch) and pockets with separate areas for smaller items to keep you organized. Real leather straps keep you comfortable on the go, while making a great impression. Order Code: S26391-F1191-L82

Modern business generates more and more data everyday so you may find yourself needing some extra storage space for critical data. Extend your storage with this 2nd HDD or SSD option by simply sliding this carrier into the modular bay slot on your Fujitsu LIFEBOOK. Choose the storage capacity to suit your needs and order separately from the list of options. Order Code: S26391-F1244-L709

The Fujitsu Wireless Mouse Touch WI910 has a special touch sensitive surface that recognizes when your hand touches the mouse even before you move it. This provides nearly instantaneous wake-up from the intelligent energy saving sleep mode. Unbeatable responsiveness buttons for a unique user experience. Order Code: S26381-K465-L100

The FUJITSU UC&C USB Value Headset is a lightweight bi-aural full-size stereo headset with high wearing comfort. This Lync-tested USB-Headset has an appropriate Inline-Controller which supports easy call management. A noise cancelling microphone facilitates undisturbing clear phone calls. Order Code: S26391-F7139-L20

The Wireless Keyboard LX901 is a top of the line desktop solution for lifestyle orientated customers, who want only the best for their desk. This

S26381-K565-L4** (**: Country specific variation)

better features than a conventional interface device. It even includes 2.4 GHz technology and 128 AES encryption for security.
